## The Most Convenient Way to Discover Russia

Take a journey along the rivers, lakes and canals of Russia between St. Petersburg and Moscow and experience a unique programme of excursions through Euroscape Travel Cruises.

Euroscape Travel has long been renowned as a specialist in Russian and Eastern European Waterway Cruising. The "Waterways of the Czars" allow one to discover a land of beauty, culture and history. From visits to the Hermitage, excursions to the historic cities of Uglich and Yaroslavl, to private visits to well-preserved medieval Kremlins, fortified monasteries and churches in and around the modern city of Moscow.

"These cruises offer a great insight into Russian Life with traditional folkloric entertainment, authentic cuisine, all-inclusive sightseeing and warm hospitality," says Boris Greiss, Euroscape Travel's Eastern European Product Director and the first local operator to introduce Russian Waterway Cruising to the Australian market.
